28X Magnification REDBACK OL28X

Dumpy Auto Level

32X Magnification REDBACK OL32X

Dumpy Auto Level

FEATURES

- Auto Levelling
- 28x Magnification (OL28X)
- 32x Magnification (OL32X)
- Superior Optical Clarity
- Quality Construction
- Stadia Lines for Alignment
- Highly Accurate
- Certificate of Calibration
- 2 Year Warranty

INCLUDES CERTIFICATE OF CALIBRATION

The OL28X is an automatic levelling optical dumpy level, it has 28x Optical magnification and clear optics which makes reading staffs at a distance easy. The OL28X has a clear adjustable cross hair with distance stadia and features a handy rubber sun visor over the eyepiece. Need more magnification then we have the OL32X same great dumpy but with 32x magnification.

The OL28X is ideal for all general levelling and some fit out installation applications. It is accurate and reliable and comes with a hard shell carry case, plumb bob and a Two Year RedBack Warranty.
